

International Summer School & Mobility Hackathon 30.08.2021-02.09.2021

Mission:

The International Summer School&Mobility Hackathon will bring together 75 participants from Germany (FH SWF, PH Karlsruhe) and Ukraine (V.N. Karazin Kharkiv National University) in cooperation with streamUP Project, supported by European Union, EFRE.NRW and the Ministry of Economy, Digitalization and Innovations in the region of North-Rhine Westphalia.

In digital format using innovative tools, students will participate in a one-week block of seminars&challenges, aiming at developing intercultural concepts for entrepreneurial activity fostering social and cultural developments.

Main program activities include intensive teamwork on the topics such as Leadership,Intercultural communication and Mobility Design Thinking Modus.

The variety of challenges, seminars and team work will help students to develop their entrepreneurial skills and generate different business ideas with the focus on mobility in multicultural groups and presenting them to the audience.
