

DEPARTMENT OF INTERNATIONAL RELATIONS

Karazin institute of international relations and travel business

almost 300 students

19 lecturers
(full professors and
associate professors)

OUR MISSION

make a difference on the global stage

Through training highly skilled professionals in international relations who are equipped to navigate the complexities of the global stage, promote international understanding, and contribute to a more peaceful and interconnected world.

Through internships, academic mobility programs, and research projects, build a transnational network of like-minded individuals passionate about international affairs and global issues.
