Subject and aim

We propose the following key issues for discussion:

Macroeconomic perspective:

- the global economic crisis;
- EU fiscal policy, monetary policy of the ECB and the countries aspiring to join the euro area;
- challenges of the knowledge economy;
- role of the State in terms of globalization;
- opportunities and threats of Polish and Central and Eastern Europe regions economic development;
- dilemmas of development of institutional systems;
- prospects and conditions for the development of financial markets;
- problems in the labor market in Poland and Europe;
- econometric modeling of economic phenomena.

Microeconomic Perspective:

- competitiveness and innovation of businesses;
- role of knowledge in modern business;
- operation of individual markets in the global economy;
- effective financial management of enterprises.

This scientific meeting was organized by **Institute of Economic Research (Poland), Polish Economic Society Branch in Toruń** and **Faculty of Economic Sciences and Management at Nicolaus Copernicus University in Toruń (Poland)** in collaboration with several leading universities in EU. Our goal is to create an international forum for discussion of the scientific community and the promotion of the idea of scientific cooperation.

Calendar

- **1th December 2018** - deadline for **early online registration** by filling out the registration form located in Registration section and submission of abstract.
- **15th December 2018** - notification of abstract acceptance.

In case of positive reviews and good cooperation with the authors, early registration participants who submit long papers for journals will have the opportunity to have their papers published before the conference in the journal **Equilibrium. Quarterly Journal of Economics, and Economic Policy 2019 Vol. 14, Issue 1, 2019 Vol. 14, Issue 2** and **Oeconomia Copernicana 2019 Vol. 10, Issue 1, 2019, Vol. 10, Issue 2**. However, due to the process of reviewing, the organizers do not guarantee all the texts the publication before the conference.

Equilibrium. Quarterly Journal of Economics and Economic Policy:

Journal indexed in: Web of Science - Core Collection - Emerging Sources Citation Index (ESCI)
